## WHO IS BIAS?

BIAS Corporation is one of Oracle's elite Platinum partners, headquartered in Atlanta, Georgia with office locations in Washington, D.C. and Denver, CO. Since 2000, BIAS has built its business providing IT design, implementation, and management services and solutions for some of the world's leading organizations utilizing Oracle technology. Oracle Applications, Technology, and Sun hardware systems are the company's primary focus and the foundation of their business. BIAS is a recognized industry leader in Oracle E-Business Suite Applications, Database, Fusion Middleware, and Business Intelligence products. BIAS works hand in hand with Oracle's development, product management, support, and sales teams to build and deploy high performance enterprise business solutions in addition to providing clients with cost saving managed services for turnkey systems management.

## CONSULTING SOLUTIONS

BIAS Corporation's delivery excellence in Professional Services includes design and deployment of high performance, scalable, and reliable application systems including:

- Oracle E-Business Suite Implementations, Optimization & Upgrades
- Architecture / Infrastructure / Performance including RAC & Grid
- Service Oriented Architecture (SOA)
- Business Intelligence and Data Warehouse
- Oracle Database / Application Migrations and Upgrades
- Integration of Platform, Middleware, and Applications
- Custom Application Design, Development and Implementation
- Platform and System Optimization and Consolidations
- Security / Identity and Access Management
- Enterprise and Customer Facing Portals

## SOFTWARE SALES

BIAS' software experts can assist organizations with the acquisition of Oracle software while providing the most competitive rates. BIAS also provides the following services to help you with critical investment decisions:

- Software Selection Assistance
- Solution Architecture
- System Design
- Proof of Concepts
- Customer References & Case Studies
- Implementation, Upgrade, Migration & Conversion Estimates

## HARDWARE SERVICES

BIAS is an Oracle certified Sun Hardware and Storage reseller with a staff of experts that can assist you with the architecture of your infrastructure as well as the implementation and post production support of your systems. BIAS has built its reputation as a hands on organization with over 10 years of experience implementing Oracle based

solutions on Sun hardware as well as Dell, HP, IBM and the host of other hardware platforms. BIAS understands that hardware infrastructure is an integral part of your total solution and combines Oracle software, hardware and services experience to create the best total solution for your needs.

- Infrastructure Architecture and Blueprint
- Platform Migrations
- Operating System migrations to Solaris or Linux
- Infrastructure and Network Sizing
- Lease programs
- Performance benchmarking
- Hosting services
- Full lifecycle Managed services

## COMPREHENSIVE IT STAFFING

BIAS Corporation's IT Staffing division provides complete staffing services including Permanent, Contract-to-Hire, and Contract Services for all IT and Executive placement. BIAS provides its clients with the highest qualified IT consultants available. BIAS consultants easily adapt to new environments, offer value-added strategic insights, and deliver hands-on solutions to daily IT challenges. BIAS recruits and trains IT positions including the following:

- Experienced Developers
- Technical Architects
- Database Administrators
- Technical Writers
- Quality Assurance Experts
- Project Managers
