

BIAS

ORACLE Platinum Partner

BIAS is an Oracle Platinum Partner that offers a comprehensive range of Oracle Hyperion Enterprise Performance Management services that include strategy, capability implementation, infrastructure architecture, managed services, and training.

Our Oracle EPM approach offers a combination of project accelerators, tools, and experienced technologists that integrate leading practices, managing scope and risk and extensive experience in designing and delivering complex EPM solutions.

SERVICE DELIVERY APPROACH

HOW BIAS CAN HELP:

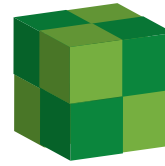

At BIAS, we offer an Oracle Cross Stack perspective to the Oracle EPM implementation process that surfaces the following key areas for a successful financial transformation implementation.

- Analysis of the financial systems in your landscape and shape a transformation agenda through a prioritized delivery roadmap.
- Identification of functional and technical gaps in your IT landscape required to achieve necessary benefit realization objectives.
- Utilize BIAS's Oracle Unified Methodology framework to ensure sustainable transformation.
- Full Cycle Implementation of EPM Solutions that seamlessly integrate across the Oracle platform of products.
- EPM Infrastructure and Administration support of in-flight and post production implementations.

ORACLE PRODUCTS & APPLICATIONS COVERED:

- Oracle Hyperion Enterprise Planning Suite
- Oracle Hyperion Financial Management
- Oracle Financial Close Suite
- Oracle Data Relationship Manager & Data Relationship Governance
- Oracle Hyperion Profitability Cost Management
- Oracle Integration Products: FDMEE, FDM, & ODI
- Oracle Business Intelligence Foundation Suite

 **BIAS BI HYPERION Admin serves your requests promptly, securely and precisely.**

BI HYPERION ENTERPRISE PERFORMANCE MANAGEMENT EXPERTISE

OUR EXPERIENCE

Our work quality and in-depth experience is what separates BIAS consultants from the competition. BIAS's hands-on professionals typically have worked more than 15 years in IT-related roles and possess an average of 10+ years of Oracle Hyperion, OBIEE, Discoverer, and Custom Data Warehousing experience.

BIAS Corporation is one of Oracle's elite Platinum partners specializing in design, implementation, and maintenance of comprehensive IT solutions for some of the world's leading organizations. Oracle Applications, Technology, and Sun hardware systems are our primary focus and the foundation of our business. We pride ourselves on being industry leaders in Business Intelligence products, Oracle Hyperion EPM Applications, Oracle E-Business Suite Applications, Database, and Fusion Middleware.
