

LICENSE REVIEW SERVICES

WHO CAN BENEFIT FROM A LICENSE ASSESSMENT?

Any Oracle customer currently in the process of a License Audit with Oracle License Management Services (LMS) can benefit from a license assessment provided by BIAS Corporation. BIAS will step in, acting in an advisory role, to assist in the collection and reporting of information to Oracle LMS.

BIAS LICENSE REVIEW ADVISORY SERVICES INCLUDE:

- o Analyze current Client license agreements
- o Ensure that requests from Oracle LMS are handled appropriately
- o Interface with Oracle LMS acting as Client advocate
- o Review data output from LMS requests
- o Verify and cross-check LMS findings

HOW LONG WILL IT TAKE?

The estimated duration for this engagement is 80 hours dedicated by an experienced Solution Architect.

WHY BIAS?

BIAS Corporation is a recognized leader in architecture design, tuning, implementation, and management. As an Oracle Platinum Partner, BIAS provides experienced Architects to assist with any customers architecture needs.
